

## THE BRIDE ~ Two Sessions

Through years of experience with brides, we have formulated our services to anticipate your every need. Our Bridal hair and makeup packages begin with a consultation 2 to 3 weeks before your wedding day. An expert makeup artist and an experienced stylist will work with you to create the look you desire, and you will leave with a preview of your special day. You will know exactly what to expect, no surprises, just pure radiance. We consider the practical aspects as well: makeup that looks great in photographs, won't run if you shed a tear, and hair that will last through the wee hours of your reception.
